

IDEALSAFE SAFETY & COMPLIANCE *Training and Consultation to Minimize Risk*

Do you need help managing fleet safety?

It's tough to stay on top of complex regulatory changes when you are focused on serving your customers and growing your business. Idealsafe **Safety & Compliance** programs can help. You can count on our responsive Idealsafe staff to provide expert assistance and programs that provide a higher level of compliance with state, provincial, and federal regulations.

Idealsafe Safety and Compliance training gives your employees the knowledge they need to operate your vehicles safely—which can lead to lower insurance costs.

OUR SAFETY AND COMPLIANCE PROGRAM INCLUDES:

✓ WEEKLY SAFETY BULLETIN

Our weekly email Safety Bulletin provides a timely update of safety and compliance regulatory changes and safety tips that benefit drivers and fleet managers.

✓ QUARTERLY DRIVER SAFETY MEETINGS

Our customized quarterly meetings give your drivers the training and information they need to do their jobs in the safest way possible.

✓ SAFE DRIVER AND AWARD RECOGNITION PROGRAM

An invaluable motivational tool for your drivers, the Safe Driver Award and Recognition Program encourages safe vehicle operating procedures and recognizes safe vehicle operators for their contribution to the bottom line.

✓ START-UP KIT

The Idealease Start-up Kit includes a daily inspection book, log book, FMCSR book, reflective triangles, and more. This comprehensive kit helps drivers concentrate on safe vehicle operation.

✓ ANNUAL SAFETY SEMINAR

The one-day Idealease / National Private Truck Council (NPTC) Safety Seminar covers major areas scrutinized during state and federal compliance interventions and reviews. Our step-by-step approach simplifies compliance with federal and state regulations, hours of service (drivers' daily logs), drug and alcohol testing rules, vehicle maintenance and inspection, accident recordkeeping, and driver qualifications. Our nationally recognized program is held in more than 30 locations in the U.S. and Canada.

Safety & Compliance Benefits:

- Higher level of compliance with state, provincial, and federal regulations
- Well informed and educated employees through training and regulation updates
- Reduced pricing of safety services and materials from Idealsafe preferred providers
- Lower insurance costs

Are your safety and risk management practices effective and up-to-date?

Idealease can help you assess your current safety and risk management profile, and recommend changes that strengthen your policies and practices. We provide the guidance and tools to develop sound risk management programs and loss prevention policies for all levels of your organization.

THESE OPTIONAL PROGRAMS ARE AVAILABLE TO ALL IDEALEASE CUSTOMERS:

POLICY AND PROCEDURE STATEMENT

Idealease can assist you in preparing your Policy and Procedure Statement that clearly states your firm's intent to comply with all government regulations regarding employee rights, and promotes efficiency, safety, and profitability for your company.

DOT COMPLIANCE

We can help you prepare for a DOT audit by conducting a mock DOT audit.

DRIVER QUALIFICATION SERVICE

Idealsafe can provide you with driver candidate screening and testing tools. We can help you outline processes and identify all required documents for your drivers' qualifications and selection process, training, and drug/alcohol testing.

LOSS PREVENTION PROGRAMS

Our Loss Prevention programs address every aspect of your operation, from management to maintenance personnel. Using a thorough analysis of loss runs provided by your insurance carrier, we can pinpoint and recommend methods to strengthen the areas most vulnerable to capital loss liability including: governmental agency (OSHA, EPA, DOT) noncompliance, worker's compensation claims, and accident liability claims.
